

Brilliant Blooms Trail

How many of these flowers can you spot in the Arboretum?

Not all of these flowers will be in bloom at all times so don't worry if you can't find them all!

Can you find a flower for every colour of the rainbow?

RED

ORANGE

YELLOW

GREEN

BLUE

PURPLE

The wildflower meadow is an important place for wildlife because there are so many different species here. Look for these flowers in the wildflower meadow but please make sure you stick to the paths
